WHY ESSENTIAL OILS PRODUCTS FROM JESS NEARY DESIGNS:

- Essential Oil Products are crafted by using DoTERRA Essential Oils. They are potent and pure oils, sourced ethically from around the world where the plants are grown in their natural habitat.
- The oils used are CPTG (Certified Pure Therapeutic Grade) and can be used personally and professionally.
- Essential Oil Products are crafted by a custom unique blend with intention
- Wide variety of products to use the Custom Essential Oil blend in your space or on self.
- Custom high quality labels are used on each product (option to create labels with your business LOGO)

* Wholesale prices are available on orders where 10x Custom Essential Oil Products or more are placed with Jess Neary Designs. The order can include a variety of custom blends and need not only be of one blend for the wholesale pricing.

* The Shipping Fee is not included in the Price Guide. An Estimate will be provided in your quote as it depends on your order and where the order is to go.

* Custom sets can also be created using a variety of Essential Oil Products (i.e. a signature blend used in a combo of a 10ML roller + 4OZ room spray OR a sample set of a 5ML Roller + 2OZ Room Spray)

To place your Custom Essential Oil Product order, email Jess to arrange a sample of your blend(s) delivered before placing final order, for a quote and for an estimated delivery time.
